NEW MEMBERSHIP STRUCTURE

As a result of the PF/PCA merger, membership at the PCA has gone through some big changes. The good news is that you still get a \$25 discount per class when you sign up for membership! The annual membership fees are \$60 for individuals, \$90 for families. For more info, call us at 412-361-0873 x 302.

The biggest change is that the PCA now offers Studio Access with a whole new level of membership. Interested in becoming an Access Member? Call Jasdeep Khaira at 412-681-5449 x246.
